

THE ENGLISH INSTITUTE OF SPORT

WANT TO WORK WITH THE BEST?

In 2008 we saw the most successful British performance at an Olympic Games this century, creating a springboard for even greater performances on home soil in London 2012. Contributing to this success, and behind every medal winning athlete, can be found a world class support team - all focused on the achievement of medal winning margins. An opportunity exists to become a member of this team if you, like the elite athletes we support, have the drive, passion and commitment to be the best you can be.

The English Institute of Sport (EIS) is a dynamic, proactive organisation. Working with our partners in high performance sport we aim to achieve sustained international success for England and Great Britain in Sport through the delivery of world class, integrated and innovative services.

Lead Strength and Conditioning Coach

(working with British Cycling)

Based at Sportcity, Manchester

Salary: Level 3 £41,500 – £48,499 or Level 4 £48,500 - £53,500 per annum

Salary and level is dependant on skills and experience

Hours: 37 hours per week

Your role:

The post holder will contribute to the achievement of the aims and objectives of the English Institute of Sport and British Cycling:

- The delivery and development of world class strength and conditioning coaching to the British Cycling World Class Programme.
- Working with the British Cycling Coaches and support staff to deliver an interdisciplinary approach to performance development.
- Provide technical leadership and mentorship to the members of the North West team, aligned to the National S & C strategy.

You should have:

- A qualification at degree level (or equivalent) in sports science or related area specialising in the area of physical preparation of elite athletes
- UK Strength and Conditioning Association Accreditation, or ability to obtain it within 6 months
- Extensive experience in the provision of strength and conditioning support to athletes and coaches to improve performance. This experience should include extensive work with national teams and their athletes.
