

THE ENGLISH INSTITUTE OF SPORT  
*WANT TO WORK WITH THE BEST?*

In 2008 we saw the most successful British performance at an Olympic Games this century, creating a springboard for even greater performances on home soil in London 2012. Contributing to this success, and behind every medal winning athlete, can be found a world class support team - all focused on the achievement of medal winning margins. An opportunity exists to become a member of this team if you, like the elite athletes we support, have the drive, passion and commitment to be the best you can be.

The English Institute of Sport (EIS) is a dynamic, proactive organisation. Working with our partners in high performance sport we aim to achieve sustained international success for England and Great Britain in Sport through the delivery of world class, integrated and innovative services.
