

MSc Strength & Conditioning Studentship w 2019-20

Placement description

Hartpury are pleased to offer a Strength and Conditioning Studentship to work across all the Hartpury Rugby Programme. Hartpury have a renowned rugby pedigree within under 18's, University and National Rugby teams and progression of students to full time professional rugby in playing and support services roles.

The MSc Strength and Conditioning Studentship will offer part funded MSc degree so that the right candidate can combine academic studies and coaching within the rugby programme. Under the supervision of full-time strength and conditioning coaches the candidate will deliver and assist with the performance programme across all elite teams. Responsibilities include delivery of strength and conditioning sessions, on and off field sessions and match day duty.

An opportunity for a student warden role is included as an added benefit to the studentship that includes a food allowance and accommodation onsite.
