

## **Pro Football Support**

### **Part-Time Paid Regional S&C Coach/Sport Scientist**

Pro Football Support provide Athletic Development and Sport Science Support to young elite academy footballers. We currently work with numerous professional football clubs around the UK providing sport science and strength and conditioning support.

Applications are invited for a paid part-time S&C Coach/Sport Scientist.

The role involves visiting elite UK football academies to undertake benchmark fitness testing as part of a long-running national research project and will provide successful applicants with invaluable experience in the field of young player athletic development.

We are therefore looking to recruit an individual with a strength and conditioning/sport science background, with an appreciation of how physical assessment impacts upon young player development.

The hours available is dependent upon candidate location, willingness/ability to travel and availability but can be up to 30 hours per week.

Although this is a temporary (3 of 12 months) part-time role, further opportunities may be available to successful candidates.

#### **Successful applicants will be required to:**

- Work split shifts within a 5 day period
- Deliver on a regular basis standardised testing protocols to U9-U23 elite young players
- Plan, record and track each session to allow for individual player development and club records to be kept up-to-date
- Educate club staff
- Represent/manage/facilitate Pro Football Support at clubs
- Provide regular feedback to senior PFS staff

#### **Applicants need:**

- Minimum of BSc in Sport Science/Strength and Conditioning or related subject
- Experience in delivering strength and conditioning / sport science support
- Access to own transport / ability to travel without compromising punctuality
- Be a well organised individual with excellent communication skills
- Ability to work independently and unsupervised

**Desirable:**

- In possession of or currently enrolled/plans to enrol on a relevant higher education qualification (e.g. – MSc, MRes, PhD)
- In possession of or interest in obtaining a recognised strength and conditioning qualification (e.g. – UKSCA, NSCA)
- Coaching qualification in football

**Remuneration:**

- Around NMW
- Petrol expenses for use of own transport will be covered at company rate

To apply for this role please send a C.V and covering letter explaining your suitability for the role to [sam.barracloUGH@profootballsupport.com](mailto:sam.barracloUGH@profootballsupport.com)

The closing deadline for applications is 8/4/2019
